

Forward – Looking Statement

This website and corporate information contains forward-looking information, including estimates, projections, interpretations, prognoses and other information that may relate to current past or future production, development(s), testing, well test results, project start-ups and future capital spending. Current, past and/or future actual results and/or reported results, estimates, projections, interpretations, prognoses, well results, test results, reserves, production, resource and/or resource potential, development(s), project start-ups, and capital spending, plans and/or estimated results could differ materially due to changes in project schedules, operating performance, demand for oil and gas, commercial negotiations or other technical and economic factors or revisions. This website and corporate information may contain the reference to the terms discovery, reserves and/or resources or resource potential which are those quantities estimated to be contained in accumulations. There is no certainty that any portion of these accumulations or estimated accumulations on this website may not change materially; and that, if discovered, in this or any other discovery, the accumulations or estimated accumulations may not be economically viable or technically feasible to produce.

Statements contained on this website and corporate information relating to estimates, results, events and expectations are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements involve known and unknown risks, uncertainties, scheduling, re-scheduling and other factors which may cause the actual results, performance, estimates, projections, interpretations, prognoses, schedules or achievements of the Corporation, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such statements. Such factors include, among others, those described in the Corporations' annual reports on Form 40-F or Form 20-F on file with the U.S. Securities and Exchange Commission.
